## 2. **OUR SERVICES**

### 2.1 **Execution-only service**

2.1.1 We arrange the execution of transactions using a third-party execution service provider, and we provide you with investment options on a non-advised basis (our “**Services**”). We do not, therefore, check whether the investments you select are suitable or appropriate for you.

2.1.2 You do not, therefore, benefit from the protection of the rules on assessing appropriateness. You must ensure that any investments you make are appropriate investments for you.

2.1.3 Neither Wealthyhood nor its employees are qualified to give legal, tax or accounting advice or to prepare any legal, tax or accounting documents. We are not responsible for dealing with any of the above matters when you use our Services.

### 2.2 **Executing transactions**

2.2.1 We use a third-party execution service provider to execute transactions on your behalf. You can read more about executing transactions [here](#) and [here](#).

2.2.2 If you place an order for individual stocks within US market hours, your order will be executed instantly. If an order is placed outside US market hours, it will be queued and executed at the opening of the next market session. The regular trading hours for the US stock market, including the Nasdaq and the New York Stock Exchange, are from 9:30 to 16:00 Eastern Time (ET).

2.2.3 ETF orders are executed within a trading window between 13.00 and 15.00 every weekday. If you place an order after 13.00, this will be executed in the corresponding trading window of the next business day. Although orders for ETFs are executed within the designated trading window, it may take some time until you receive confirmation of execution, and they are updated on your Wealthyhood account.

#### 4. **USER REWARDS, FREE SHARES, CASH REWARDS AND REFERRAL SCHEME**

- 4.1 Under our referral scheme, a free share will be offered to users who have successfully completed a referral in accordance with the terms described in this paragraph. Both the referrer and referred user will be offered a free share as long as they meet the conditions below.

##### 4.2 **Inviting a friend – Your unique referral link**

You can refer a friend by entering their email or sending them your unique referral code or link. You can find the different options from your Wealthyhood app under “My Account” > “Earn free shares”. From there, you can simply follow the steps and invite a friend with one of the three options.

##### 4.3 **Successful referral**

- 4.3.1 In order to be eligible for the free share reward, you need to have successfully completed a referral.

You will need to:

- a. Set up your Wealthyhood account.
- b. Verify your details.
- c. Make an investment in your portfolio.

Your friend will need to:

- a. Set up their Wealthyhood account.
- b. Verify their details.
- c. Invest at least £100 in their portfolio within 7 calendar days of creating their account.

- 4.3.2 In the case of a successful referral, both the referrer and the referred user will be eligible to receive a free share.
- 4.3.3 In order to be eligible to receive a free share, users must be referred by a friend, either through a referral code or referral link. Referred users must be new Wealthyhood clients and must not have already created a Wealthyhood account before.
- 4.3.4 If the referred user hasn't completed an investment within 7 days of creating their account, the referral will expire and will no longer be deemed successful. Therefore, neither the referrer nor the referred user will be eligible to claim a reward for this specific referral.

#### 4.4 **Receiving your reward**

- 4.4.1 Once the steps in paragraph 4.3.1 have been completed, we will notify you by email and/or push notification on your mobile app that you are eligible to receive a free share. The next time you open our mobile app or web platform, we will notify you about the amount of your free share and the specific financial instrument. You will then be able to accept your free share or dismiss it.
- 4.4.2 If you accept your free share, you instruct us to transfer the equivalent amount of funds on the same day into your account and immediately place an order to buy your free share.
- 4.4.3 Once the process is completed, a free share will appear on the accounts of both the referrer and referred user.
- 4.4.4 We aim to process 95% of the free share rewards within 2 business days. If you believe you're eligible for a free share but have been waiting for more than 5 days for the notification of your free share eligibility, you can contact us at [hello@wealthyhood.com](mailto:hello@wealthyhood.com) or use our Live Chat Support on your Wealthyhood app.

#### 4.5 **Free share restrictions**

- 4.5.1 You can't sell your free share for 60 days commencing on the date the share settles in your account.
- 4.5.2 If you decide to close your Wealthyhood account before 60 days have passed, your reward will be lost, inclusive of any gains made on the particular share.

4.5.3 The maximum limit in the value of free shares you can earn per calendar month is £1,000. This amount, however, resets at the beginning of each month. Please note that there is no limit to the number of friends you can refer, and each of your friends will be eligible for a free share, even if you have reached your monthly cap.

#### 4.6 **How your reward is determined**

4.6.1 Your free share will be randomly selected from a pool of stocks and ETFs within our investment universe.

4.6.2 The value of your free share will be randomly determined and may range anywhere from a minimum of £5 to a maximum of £200. The probability is weighted, so higher values are less likely to get.

4.6.3 For the avoidance of doubt, the free share can be either a whole share or a fraction of a share as long as its value is within the range defined above.

4.6.4 We do not offer advice or recommendations to our customers and receiving a free share from us does not constitute advice. Customers/ investors should make their own decisions on what investments are right for them.

#### 4.7 **Ad-hoc free share campaigns**

4.7.1 We may, from time to time, run ad-hoc free share campaigns. In such a case, we will notify you by email and/or push notification about the campaign details.

4.7.2 The terms of paragraph 4 also apply to any ad-hoc free share campaign we may participate in, in which case, you will be deemed a referred user, with the same eligibility requirements described in paragraph 4.3.1.

#### 4.8 **Cash rewards**

4.8.1 We may, from time to time, run ad-hoc cash reward campaigns. In such a case, we will notify you by email and/or push notification about the campaign details, describing how you can participate and how eligible users will be defined.

4.8.2 In the case that you receive a cash reward, the corresponding amount will be transferred into your Wealthyhood account. You can then invest this amount within the app as you wish.

4.8.3 You may not withdraw your cash reward without investing it first unless suggested differently in a specific cash reward campaign.

4.8.4 In the case the terms described in a particular campaign conflict with the terms under this Section 4, the specific terms of the campaign should supersede.

#### 4.9 **User gifts**

4.9.1 Under our user gift scheme, selected users will have the chance to share a cash voucher with a friend. If selected, you will be notified by email and/or push notification about the user gift details and you will then be able to share the gift with a friend from your Wealthyhood app, under “My account”, by clicking on the relevant banner.

4.9.2 In the case that you receive a user gift, the corresponding amount will be transferred into your Wealthyhood account. You can then invest this amount within the app as you wish.

4.9.3 You may not withdraw your cash reward without investing it first.

4.9.4 You need to have a bank account with one of the supported banks to withdraw your cash reward only after investing it first. The list of supported bank accounts is available in the app.

4.9.5 Any share you buy using your cash voucher fall under the free share restrictions of paragraph 4.5.

4.9.6 User gifts can only be sent to new or existing Wealthyhood users as long as they haven't made any investment with Wealthyhood in the past. If a user gift is sent to a user who has already made an investment with Wealthyhood in the past, the cash voucher will be voided.

4.9.7 User gifts cannot be sent to user accounts directly associated with the user account of the sender.

#### 4.10 **Closing your account with a free share, cash reward or user gift**

4.10.1 If you decide to close your Wealthyhood account and you have received a free share, cash reward, or user gift, the following conditions apply:

- a. If your account is closed before the 60-day restriction period for selling your free share or withdrawing your cash reward or user gift, you will forfeit all such rewards. This includes any appreciation in value of the free shares you have received.
- b. If your account is closed after the 60-day restriction period, you are required to provide a valid bank account from our list of supported banks to transfer any proceeds from your rewards, gifts, or free shares.

- 4.10.2 If you haven't already connected a valid bank account, upon the closure of your account after the 60-day restriction period, you must provide the necessary details for a valid bank account within 30 days to withdraw any proceeds.
- 4.10.3 If you do not provide this information within the specified time frame Wealthyhood reserves the right to withhold the cash proceeds from the rewards, gifts, or free shares.
- 4.10.4 Please note that these conditions are in place to ensure a fair and transparent process for all users and to comply with regulatory requirements.

#### 4.11 **Ending or updating our referral and free share scheme**

We reserve the right, at our sole discretion, to end or update the terms of our referral scheme, free shares scheme, cash rewards and user gifts at any time. If we make an update, we will post the updated version of the schemes on our website and provide you notice of the update. Continued participation in the referral scheme and free shares scheme after any update shall mean that you have agreed to the update(s) made by us.

### 5. **PORTFOLIO REBALANCING**

- 5.1 Wealthyhood offers the functionality to rebalance your portfolio to help you maintain the asset allocation you have defined for your target portfolio. You can do this through a one-off rebalancing or set up automated rebalancing.

#### 5.2 **How rebalancing works**

- 5.2.1 Rebalancing takes place during two consecutive trading sessions. First, overweight assets are sold, and then, the proceedings are used to buy underweight assets.
- 5.2.2 For example, suppose your target portfolio allocation is:
  - 60% stocks
  - 30% bonds
  - 10% gold

After market fluctuations, your allocation shifts to 70% stocks, 20% bonds, and 10% gold, with a total portfolio value of \$10,000. If you decide to rebalance your portfolio, the process is as follows:

- On the first trading day, rebalancing will sell \$1,000 worth of stocks, reducing their allocation to 60%.
- Then, on the next trading day, it will use the proceeds to buy bonds, increasing the allocation to 30%.
- The gold allocation will remain at 10%.

### 5.3 **Automated rebalancing**

- 5.3.1 You can also choose to set up automated rebalancing to maintain your target portfolio allocation on a monthly basis.
- 5.3.2 If activated, automated rebalancing will take place on the first Monday of the month at 12 pm, placing buy and sell orders, according to the process described above, to get your holdings back to your target portfolio. If the first Monday of the month falls on a bank holiday, the rebalancing process will take place on the next trading day.
- 5.3.3 Automated rebalancing does not take into account the market conditions at the time of rebalancing. Thus, you may experience a capital gain or loss during the process.
- 5.3.4 If you do not want the automated rebalance to go ahead, you must deactivate it through the app before 12 pm of the day the automated rebalancing is scheduled to occur.
- 5.4 Keep in mind that Wealthyhood does not manage your portfolio and provides execution-only services. Accordingly, the portfolio rebalancing functionality will help you maintain the execution-only target portfolio allocation. When you initiate a one-off or an automated rebalancing, you provide orders to us, which we will arrange to be executed with no discretion.
- 5.5 You cannot sell any of your holdings until the rebalancing process is completed. However, you can always buy assets, deposit and withdraw any available cash you hold on your Wealthyhood cash balance.
- 5.6 Both the one-off and automated rebalancing are subject to the cost structure described in the “Fees” section.

## 6. **CORPORATE ACTIONS**

- 6.1 When we receive income from your investments, such as dividends or proceeds from corporate actions, these amounts will be processed and credited to your account.

- 6.2 Mandatory corporate actions, like stock splits, will be automatically processed and reflected on your Wealthyhood account. Voluntary corporate actions will be processed using Wealthkernel's default option.
- 6.3 Although we may inform you about significant corporate actions or related rights and obligations through the Wealthyhood app if deemed necessary, please remember it is your responsibility to proactively gather information about these rights, duties, and corporate actions. Wealthyhood is not obligated to notify you of every such event and is not liable for any damages, losses, or expenses incurred due to unawareness of these corporate actions or related rights and duties.

## 7. **INVESTING IN US STOCKS**

- 7.1 By investing in US stocks via the Wealthyhood app, you agree to comply with the W8-BEN form requirements. In particular, you confirm that:
- 7.1.1 You are the beneficial owner of the US stock investments and a resident within the meaning of the income tax treaty between the United States and your country.
  - 7.1.2 You are not a US person.
  - 7.1.3 The income related to your investments is not connected with a US business or is exempt under a tax treaty.
  - 7.1.4 You reside in a treaty country, if applicable.
  - 7.1.5 For broker transactions or barter exchanges, you are an exempt foreign person as defined in the relevant instructions.
- 7.2 You authorise the submission of the W8-BEN form to any relevant withholding agents and agree to provide an updated form within 30 days should any of the certifications become incorrect.
- 7.3 You hereby acknowledge that your acceptance of these terms constitutes your consent in a manner consistent with the requirements set forth by the W8-BEN form.

## 8. **INVESTING IN MONEY MARKET FUNDS**

- 8.1 Money market funds offered through Wealthyhood are distributing funds, which means the interest that the underlying assets payout is directly distributed to investors.
- 8.2 The net yield quoted on the app is the average rate of return of the money market fund over the prior day if held for one year. It's calculated by multiplying the daily interest rate by 365. The net 1-day yield is net of all fees and depends on your Wealthyhood plan.
- 8.3 The calculation of net yield is based on data sourced directly from the money market fund provider, with subsequent deduction of all relevant fees, including management and service charges, ensuring investors receive a clear picture of their net returns. Please note, the net yield is contingent upon the specific Wealthyhood plan chosen by the investor.
- 8.4 Buy and sell orders for money market funds are executed once per day, at 1 pm UK time, according to the fund's details.

## 9. **CLIENT PROTECTION AND COMPLAINTS**

- 9.1 We will treat you as a retail client. This means that you will have the highest level of protection under the rules made by the Financial Conduct Authority (the **"FCA Rules"**). You will also have the right to take any complaint which you cannot settle with us to the Financial Ombudsman Service. You may at any time ask us to re-categorise you as a professional client or an eligible counterparty, but it is not our general policy to re-categorise retail clients, and we can reject your request. When we refer to the FCA and the FCA Rules, we also mean any regulator which may replace the FCA and the rules it may make to regulate our business.
- 9.2 We are covered by the Financial Services Compensation Scheme (**"FSCS"**). This means you may be entitled to compensation from the scheme if we cannot meet our obligations. The level of compensation depends on the type of business and the circumstances of your claim, and you are covered up to a maximum of £85,000 per person. Please note the FSCS protection covers the money (deposits) and assets held with the custodian in the event that they are unable to fulfil their obligations. It does not protect you from falls in the value of your investments. Your investments may go up as well as down, and please note that, as with any investment, your capital is at risk.
- 9.3 Further details of the Financial Services Compensation Scheme are available from [www.fscs.org.uk](http://www.fscs.org.uk).

9.4 We are committed to providing you with a first-class service. If anything does go wrong, we aim to put it right quickly and efficiently. If we cannot resolve a problem immediately, we will contact you to tell you what we are doing about it. If you wish to complain about any aspect of our service, please contact us by emailing [hello@wealthyhood.com](mailto:hello@wealthyhood.com) and we will provide you with a summary of our complaints process and procedures.

9.5 If we do not deal with your complaint to your satisfaction, you can refer it to the Financial Ombudsman Service. This does not prevent you from taking legal proceedings. The Financial Ombudsman Service's contact details are:

For these purposes, a tax evasion offence includes cheating a public revenue authority or being knowingly concerned in, or in taking steps with a view to, the fraudulent evasion of tax, and tax includes duties and social security contributions.

- 12.3 Otherwise, we will write and tell you about any material changes at least 30 calendar days before a change becomes effective and where this is reasonably possible. If it is not, we will write to you at the earliest opportunity after the change has taken place.
